

under the Department of Commerce's Export Administration Regulations (EAR) (15 CFR parts 730-774). Aircraft on temporary sojourn to Cuba that are carrying humanitarian cargo and that satisfy all the requirements of License Exception AVS (§ 740.15 of the EAR) do not need a specific license from the Department of Commerce. Aircraft carrying humanitarian cargo to Cuba that do not satisfy all requirements of License Exception AVS will require a specific license from the Department of Commerce. License applications for aircraft on temporary sojourn carrying humanitarian cargo will be reviewed on a case-by-case basis and favorably considered. License applications involving aircraft flying for any other reason will be reviewed on a case-by-case basis. Cargo that is carried on such flights is subject to separate regulatory requirements. Certain donations may be eligible for a License Exception under § 740.12 of the EAR. However, other donations, such as donations of medicines and medical items, and all sales of humanitarian items require a specific license from Commerce.

In addition, procedures for exporting medicines and medical equipment to Cuba, either for sale or donation are being streamlined and license processing time reduced. Agencies will strive to reduce license review time by 50 percent. The CDA provides for exports of medicines and medical equipment and supplies to Cuba either on a donative or commercial basis. The Administration is taking steps to facilitate compliance with the on-site verification and monitoring requirement that applies to medical sales and certain donations to Cuba. A variety of possible entities may conduct on-site verification and monitoring as required by the CDA. These entities include, but are not limited to, representatives of the license applicant, religious or charitable groups, western diplomats and international nongovernmental organizations.

Related regulatory requirements: The Department of the Treasury's Office of Foreign Assets Control (OFAC) licenses companies that provide direct charter flight service between Miami, Florida and Havana, Cuba. OFAC also is responsible for licensing family remittances and the financial transactions of persons travelling to Cuba, including persons that accompany cargo on humanitarian cargo flights licensed by the Department of Commerce.

SUSQUEHANNA RIVER BASIN COMMISSION

18 CFR Part 803

Review and Approval of Projects

AGENCY: Susquehanna River Basin Commission (SRBC).

ACTION: Correcting amendment.

SUMMARY This document contains a correction to the final regulations, which were published in the **Federal Register** on Thursday, June 15, 1995 (60 FR 31391). The regulations provided the procedural and substantive rules for SRBC review and approval of water resources projects. This correction conforms a definition to the language in the Susquehanna River Basin compact.

DATES: Effective May 11, 1995.

Richard A. Cairo, General Counsel, 717-238-0423; Fax: 717-238-2436; e-mail: rcairo@srbc.net

SUPPLEMENTARY INFORMATION:

Background

The SRBC adopted a final rule on May 11, 1995 establishing: (1) the scope and procedures for review and approval of projects under Section 3.10 of the Susquehanna River Basin Compact, Pub. L. 91-575; 83 Stat. 1509 *et seq.* (the Compact); and (2) special standards under Section 3.4 (2) of the Compact governing water withdrawals and consumptive use of water. The definitions included in that final rulemaking action were intended to match the definitions provided in the Compact. Because of a typographical transposition, the definition of "project" in the final rule does not match the definition of "project" in Article 1, Section 1.1 (7) of the Compact. Because this definition was intended to go into effect on May 11, 1995, this correcting amendment is made retroactive to that date.

Need for Correction

As published, the final regulations contain an error that may prove to be misleading to project applicants and needs to be corrected.
